

Zanele Njapha

Unlearning Expert | Award-winning Speaker | Author

ABOUT ZANELE

In the face of disruptive change, Zanele assists organizations to become future-fit: adaptable, resilient, innovative, proactive and confident through helping them crack the unlearning code.

She does this by facilitating the understanding that learning, unlearning and relearning must be the crux and heart of an organisation's DNA if they are serious about being future-fit..

ZANELE SPEAKS ON

- Tomorrow's World Today
- Cracking the Unlearning Code
- 8 Skills for The Future of Work
- SA in the 2020s

WHAT CLIENTS SAY

"Zanele is an outstanding speaker. She mesmerises her audience with her stories and insightful views – fantastic!"

- Roger Harrop (*The CEO Expert, UK*)

"Zanele is a fabulous speaker and presenter. She engages powerfully with her audience and has that unique ability to 'dance on her feet' - highly recommended!"

- Helen Nicholson | *Director, The Networking Company*

CLIENTS HAVE EXPERIENCED

- Gained knowledge that building and strengthening organizational cultures of learning (and unlearning) is paramount in developing future-proof teams and organizations.
- An understanding of how to use a positive culture of learning to drive business metrics and influence employee performance.
- A grasp of tools and methods to enhance and build a future-focused development culture

DELIVERY STYLE

Zanele presents with uncanny wit, humour and engaging insights wrapped in memorable stories. She is a well-seasoned and thought-provoking speaker who engages and captures various audiences.
